**COMMON ENTRANCE FRENCH VOCABULARY BOOKS  
FOR FORMS 1 EAST AND WEST**

Dear Parents,

In order to prepare thoroughly for the Common Entrance and Scholarship examinations, pupils in Form 1 spend a significant proportion of their time broadening their knowledge of French vocabulary and are tested weekly on different topics. To this end we strongly recommend purchasing a copy of the ISEB publication **French Vocabulary for Common Entrance**. This book has proved invaluable to past candidates, and at a cost of £6.99, represents excellent value for money. We are able to purchase the publication through the school and will then, with your agreement, add the cost to the end of term bill.

I shall assume that you are happy for your son/daughter to purchase a copy of the above title from the school unless I hear from you to the contrary **by Friday 16<sup>th</sup> September**, either by email to [ruth.lunt@brockmarl.org.uk](mailto:ruth.lunt@brockmarl.org.uk) or by completing the slip below.

Yours sincerely,

Ruth Lunt  
Head of Modern Languages
