**FRENCH DICTIONARIES FOR FORMS 3B AND 3G
AND THOSE PUPILS WHO HAVE MOVED FROM FORM 4 TO FORM 2**

Dear Parents,

As pupils approach the top of the school, it becomes increasingly helpful to them if they are able to make use of their own French dictionary. The Independent Schools Examination Board (ISEB), which sets the Common Entrance examinations, recommends the use of the **Collins Easy Learning French Dictionary** from the age of 11 onwards, and indeed it is a valuable learning aid for pupils right up to GCSE.

As they enter Form 3, we offer pupils the opportunity to purchase their own copy of this dictionary from the school at a reduced cost of £4.99. Some pupils will doubtless already have their own French dictionary and, as long as it is of a suitable standard, they will, of course, not need to purchase another.

I shall assume that you are happy for your son/daughter to purchase a copy of the above title from the school unless I hear from you to the contrary **by Friday 16th September**, either by email to ruth.lunt@brockmarl.org.uk or by completing the slip below.

Yours sincerely,

Ruth Lunt
Head of Modern Languages

I do **NOT** wish my son/daughter to buy a copy of **Collins Easy Learning French Dictionary** at a cost of approx £4.99.
