

– children's shoes –
professionally fitted at school

Re: Twofeet Mobile Shoe Shop return visit on 8th September 2010

Dear Parents,

Twofeet are returning to the school on the **8th September 2010 between 12 noon and 4pm**. They will be doing two things:-

- Performing measure checks on shoes purchased before summer to ensure they are still the appropriate size for your child against the Growth Spurt Guarantee. If shoes are in an unworn condition, they can be exchanged for the next size up for free.
- Seeing children who could not visit last time. Twofeet will have ample stock with them on the day including school shoes, trainers, football boots and plimsolls. Please have a look at our [catalogue](#) of shoes approved by Mr Fleming and Mrs Riley as suitable for school use.

For your convenience we ask you to book an appointment by either emailing JStevenson@twofeet.biz or calling **07771 392534** and providing the following information:-

- Name of child/ren
- Confirm if appointment is for a measure check or a new fitting
- If a new fitting, what size school shoe your child/ren had at the end of last term.
- Preferred appointment time (between 12 and 4pm).

The deadline for replies is the **3rd September** to allow time for appointment scheduling and confirmation.

Also a reminder that parents receive **25% loyalty discount** on every 3rd pair of shoes/trainers purchased. The school's charity 'The Meningitis Trust' also receives a donation from every purchase.

If you are unable to make the 8th September fitting day, Twofeet are running other fitting days at local venues. Look on www.twofeetbranches.biz/berkshire. School charity donations and loyalty discounts will still apply at these locations.

⇒ Please have a look at our [catalogue](#) of shoes approved by Mr Fleming and Mrs Riley as suitable for school use.

Yours sincerely,

Jane Park janepark@brockmarl.org.uk
